If we are able to tell everybody straight out and with a joyful heart that we praise God and thank him for all his goodness, if we represent and proclaim our kind and merciful God, then we will be a great comfort to many people. We will forget about our own cross and rejoice with those who praise God. Then we will be able to sing songs of praise from the bottom of our hearts. How good, how pleasant it is to praise the Lord! ~ *Johann Christoph Blumhardt*

God of abundant generosity, you desire to fill our lives with good gifts that bring us joy and strengthen the common life of your people. Those who dwell in your house, opened to all by your beloved son, Jesus Christ, truly lack nothing. May the table you set before us be one around which we celebrate the rich unity in diversity that is a sure sign of your kingdom. Amen.
