Thursday, January 17, 2019 – Daily Prayer Prompt

God of wonder, we give thanks for the majesty that is your earth. We know that the trees, the rivers, and the meadows are of your making. We confess that we have not tended to them as you so commanded us to. Let the breeze we feel this day be a gentle reminder to care for our common home. Amen.

Friday, January 18, 2019 – Daily Prayer Prompt

I don't think we could have ever loved God if Jesus had not become one of us. So that we might be able to love God, he became one of us in all things, except sin. If we have been created in the image of God, then we have been created to love, because God is love. In his passion Jesus taught us how to forgive out of love, how to forget out of humility. Find Jesus, and you will find peace. ~*Mother Teresa*

Each galaxy, each star, each living creature, every particle and subatomic particle of creation, we are all made in God's image....How? Genesis gives no explanations, but we do know instinctively that it is not a physical image. God's explanation is to send Jesus, the incarnate One, God enfleshed. Don't try to explain the Incarnation to me! It is further from being explainable than the furthest star in the furthest galaxy. It is love, God's limitless love enfleshing that love into the form of a human being, Jesus, the Christ, fully human and fully divine. ~ Madeleine L'Engle

Oh God, let us find courage in your word. May the stories of those who came before us inspire us to do justice, to love mercy, and to recognize the gift of our humanity. Amen.
