I am excited to welcome to worship today our new-to-us 7' Baldwin Grand Piano! We were fortunate to hear from our piano technician about this instrument becoming available. We were able to secure it for a reasonable price.

Many thanks to the folks who have already contributed to the special "piano fund." We are continuing to collect donations to cover the total cost of the installation, including the moving costs and other ancillary expenses.

A celebratory piano recital is being planned and I will keep you informed once a date has been set.
